

NIMRA SHEHZADI

FRONTEND DEVELOPER

0303-2679633 | nshehzadi787@gmail.com | Bahawalpur, Pakistan

PROFILE SUMMARY

Motivated Frontend Developer with hands-on experience building responsive, user-friendly websites using HTML, CSS, JavaScript, and Bootstrap. Quick learner with a strong eye for clean UI, cross-browser compatibility, and writing efficient, maintainable code. Seeking to contribute technical skills and creativity to a growth-oriented development team.

WORK EXPERIENCE

Frontend Developer Trainee | Tech Thrill

Jan 2026 – Mar 2026 (3 Months)

- Trained in building responsive web pages using HTML, CSS, and Bootstrap under senior guidance.
- Practiced JavaScript fundamentals including DOM manipulation and event handling on live tasks.
- Collaborated with the development team on UI fixes and cross-browser testing.
- Gained exposure to Git version control and collaborative code workflows.

Frontend Developer Intern | PASCO – Pakistan Automation Solutions

Apr 2026 – Sep 2026 (6 Months)

- Assisted in developing and styling responsive web pages using HTML, CSS, and Bootstrap.
- Worked with senior developers to implement JavaScript-based interactive features.
- Learned industry-standard workflows including Git version control and code reviews.
- Supported testing and debugging of web pages across different browsers and devices.
